RELATED PROJECTS AND EXPERIENCE

Senior Degree Project | Oxford, OH

August 2024 - May 2025

CueKit

- Designed a mental readiness journal and cue system for college volleyball athletes using Figma wireframes, user research, and usability testing from initial idea through final design.

Emerging Technology Practicum | Oxford, OH

August 2024 - May 2025

Miami University Luxembourg Foundation Website

- Worked on the UI for a donation-focused website, using Figma and WordPress to create responsive page layouts and clear interaction design so visitors can quickly understand the foundation and find the donate page.

EXPERIENCE

Damar Staffing Solutions | Indianapolis, IN

May 2025 – August 2025

Intern

- Designed branded graphics and presentation decks for 4+ inter-business presentations and 1 certification award ceremony, improving visual consistency across brand materials.
- Supported end-to-end execution of digital and email campaigns while mapping process gaps and helping implement candidate retention initiatives.
- Partnered with the marketing team to refine visual identity guidelines and apply them across social, email, and sales collateral.

Spokenote | Fishers, IN

May 2023 – August 2024

Intern (Summer)

- Updated visuals across 3 pages with 25 realistic product use-case images using Photoshop and Illustrator, improving clarity of product presentation.
- Collaborated with the design team to ensure new visuals aligned with brand guidelines and maintained overall site consistency.
- Participated in weekly cross-functional sales and marketing meetings over 3-month internship to align creative deliverables with campaign priorities.
- Delivered 8 design assets (sales one-pagers, pitch decks) that aligned with company vision and supported business development initiatives.
- Researched outreach efforts to generate 5-10 leads per day and uncover growth opportunities for the business.
- Collaborated with design, marketing, and business development to understand how user insights translate into visuals that support revenue goals.

LEADERSHIP & ACTIVITIES

Miami University Men's Club Volleyball | Oxford, OH

August 2024 - May 2025

Social Media Executive

- Managed social media presence across multiple platforms to promote team activities and increase club visibility
- Produced branded graphics for tournaments, tryouts, and campus fairs using design software to attract new members and communicate event details
- Livestreamed and uploaded game footage to YouTube, expanding audience reach and engagement with team content
